LET'S TALK NUMBERS

Vendors, Performers, and Volunteers
This year Lawrence Pride hosted more than 138 vendors and 50 parade float participants from across the State and surrounding cities. Between the two stages we had 18 local performers, and the day wouldn't have been possible without our 180+ volunteers! Plus an afterparty with over 550 attendees.

Attendance and Reach

In 2023 Lawrence Pride was able to attract just over 3,000 attendees between the Pride Parade and Party. The next year, 2024, our attendance jumped to about 6,000 attendees. Again in 2025, we saw an increase to nearly 7,100 attendees with over 2,000 coming from more than 20 miles away!

What is the budget?

For the 2024-25 fiscal year Lawrence Pride developed a budget of \$52,770. The Pride Parade and Park Party came in just under \$40,000 collectively last year, significantly under budget.

For the 2025-26 fiscal year budget the Board has approved a significant increase for the Kids Stage and afterparty. Please see below.
